

CILT (UK) Level 5 Professional Diploma in Logistics and Transport

Course Aim

The [CILT \(UK\)](#) Level 5 Professional Diploma in Logistics and Transport is designed to enhance new and existing expertise in areas from warehousing, inventory and supply chain management to project management, transport operations and movement of goods, as well as developing core management skills.

Entry Eligibility

Marine Engineer SNCO course or completion of the CILT (UK) Level 3 Certificate in Logistics and Transport (or equivalent).

Duration

Approximately 360 hours study in own time at learner's own pace, therefore the duration is fully dependant on how many hours of study is conducted per week. Although personnel have 3 years from CILT (UK) registration to complete the course, learners usually complete within 9 months.

Cost and Payment

Course provided at reduced cost for Marine Engineer personnel:

Full Payment	£1340
Instalment Payment	£1404 – 12 monthly instalments of £117 by Standing Order
CILT Registration	Included in cost.
