

CILT (UK) Level 6 Professional Diploma in Logistics and Transport

Course Aim

The [CILT\(UK\)](#) Level 6 Advanced Diploma provides the strategic management skills and tactical insight necessary for professional and business development. It bridges the gap between the undergraduate level of the Level 5 Professional Diploma and standard of a Masters degree.

Entry Eligibility

RLC SNCO course or completion of the CILT (UK) Level 5 Certificate (or equivalent).

Duration

Approximately 534 hours study in own time at own pace, therefore the duration is fully dependant on how many hours of study is conducted per week. Although personnel have 3 years from CILT (UK) registration to complete the course, learners usually complete within 10 to 12 months.

Cost and Payment

Course provided at reduced cost for RLC personnel:

Full Payment	£2,475
Instalment Payment	£2,598.72 – 12 monthly instalments of £216.56 by Standing Order
CILT Registration	Included in cost.
