

Postal and Courier Operator – The Royal Logistic Corps Class 2 Upgrade

Course Aim.

To train and develop Class 3 Postal and Courier Operators technical and supervisory skills to meet the requirements of a Class 2 soldier as defined by relevant policy.

Course Objectives.

Training Objectives associated with the Class 2 course are:

- Complete the Record of Achievement (ROA) and the Record of Work Place Training (RoWPT) if issued.

Duration.

The ROA is to be completed within 12 months which will then award them their Class 2 status.

Accreditation.

The course is accredited and mapped to professional qualifications at Level 3 Postal Accounting Management Transactions.

Dates & Enrolment.

On completion of the Postal and Courier Operator Class 3 course the ROA will be issued.
